

**CE Instructions for
RP4522: Epidemiology and Prevention of Vaccine-Preventable Diseases
(Credit expires 7/8/2024)**

To receive continuing education (CE)

Please visit [CDC TRAIN](#) and search for the course in the Course Catalog using **RP4522**.

Follow the steps below by 7/8/2024.

1. Register for and complete the course.
2. Pass the post-assessment at 80%.
3. Complete the evaluation.
4. Visit “Your Learning” to access your certificates and transcript.

NOTE—You must pass the posttest at 80%. There are only 2 attempts allowed.

If you have any questions or problems, contact CDC TRAIN via email at TRAIN@cdc.gov. You may also contact the CE Coordinator at NCIRD, Melissa Barnett, at MBarnett2@cdc.gov.

PROGRAM DESCRIPTION: This live two-day course provides a comprehensive review of immunization, vaccine-preventable diseases and their respective vaccines. The course will provide the most up-to-date immunization information from the ACIP including:

- General Best Practice Guidelines on Immunization
- Vaccine recommendations for pertussis, haemophilus influenzae type b, influenza, measles, mumps, rubella, varicella, pneumococcal, polio, hepatitis B, hepatitis A, meningococcal, human papillomavirus, zoster, and COVID-19
- Vaccine Safety
- Current Issues

OBJECTIVES: At the conclusion of the session, the participant will be able to:

- Describe the Advisory Committee on Immunization Practices General Best Practice Guidelines on Immunization.
- Identify 2 vaccine storage and handling best practices.
- Identify 2 vaccine administration best practices.
- Identify a communication technique that can be used when discussing vaccines.
- For each vaccine-preventable disease, identify those for whom routine immunization is recommended.
- For each vaccine-preventable disease, identify the correct immunization schedule.
- Describe 2 clinical considerations when administering vaccines.
- Locate current immunization resources to increase knowledge of team’s role in program implementation for improved team performance.
- Implement disease detection and prevention health care services (e.g., smoking cessation, weight reduction, diabetes screening, blood pressure screening, immunization services) to prevent health problems and maintain health.

FACULTY/CREDENTIALS:

Andrew Kroger, MD, MPH, Medical Officer, CDC/NCIRD

Bindu Mayi, PhD, Health Education Specialist, Health Education and Communication Branch, CDC/NCIRD

Eva Meekins, DNP, MHA, MN, RN, Nurse Educator CDC/NCIRD

Sarah Reagan-Steiner, MD, MPH, Public Health Physician, Acting Team Lead, CDC/NCIRD

JoEllen Wolicki, BSN, RN, Nurse Educator, CDC/NCIRD

ORIGINATION DATE: 6/5/2024

EXPIRATION DATE: 7/8/2024

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser;

MATERIALS: None

TARGET AUDIENCE: Administrators, CHES certified health educators, Physicians, Epidemiologists, LPNs, LVNs, Medical assistants, medical students, NPs, nurse technicians, other health educators, Pharmacists, PAs, program managers RNs

PREREQUISITES: Participants should have a basic educational background in science including general knowledge in the subject areas of biology, immunization, and vaccine-preventable diseases.

FORMAT: This course is Live course material.

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this Live course activity for a maximum of 14.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for 14.5 nursing contact hours.

CPE: The Centers for Disease Control and Prevention designated this knowledge-based event for pharmacists to receive 1.45 CEUs (14.5 contact hours) in pharmacy education. The Universal Activity Number is JA4008229-0000-23-044-L06-P.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 1.45 CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 14.5 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 14.5. Continuing Competency credits available are 14.5. CDC provider number 98614.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 14.5 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

This educational activity may contain discussion of published and/or investigational uses of agents recommended by the Advisory Committee on Immunization Practices that are not indicated by the Food and Drug Administration.

CDC did not accept financial or in-kind support from any ineligible company for this continuing education activity.

FEES: No fees are charged for CDC's CE activities
